

## Online Registration FAQ

---

**My student will be attending the same school they attended last year. Can I register completely online?**

Yes. When the window opens up in mid-July you can complete the online registration process and you do not need to go to the school on registration day.

**My student is going into 6th grade and will be going to the assigned middle school. Can I register completely online?**

Yes. When the window opens up in mid-July you can complete the online registration process and you do not need to go to the school on registration day.

**My student is going into 9th grade and is going to the high school. Can I register completely online?**

Yes. When the window opens up in mid-July you can complete the online registration process and you do not need to go to the school on registration day.

**My child is in elementary school. We moved to a different house that is in a different school zone. If I want my child to go to the different school, can I still do registration completely online?**

No, your child will be considered a new student at the new school. You will have to go to the school on registration day to register your student.

**My child is in elementary school. We moved to a different house that is in a different school zone. I still want my child to attend the school they attended last year. Can I register completely online?**

Yes. Even if you move zones your child is allowed to stay in the school that they are attending. Since they are not going to go to a different elementary school you can register them completely online.

**We just moved to Plainview? Can I register my student(s) online?**

Unfortunately, no. You will need to go to the school that your student(s) will attend on registration day (August 10) to register. Please bring birth certificate, social security card, and shot record for each student.

**Can I use my phone or tablet to register online?**

Yes, though it might require some "zooming in". Unfortunately the mobile part of family access does not accommodate the registration, but by viewing the full site you can finish the process.
