Attendees: Sharon Wright, Patti Hutto, Lesle Carlisle, Rae Rousseau, Ana Borrego, Becky Villanueva, Hanie Hart, Laura Amato, SuNell Pyeatt, Sandra Ramirez, Ashley Mayberry, Libby Howard

All members were welcomed and each introduced. Mrs. Wright reminded the committee of their responsibilities according to Board policy. A revised copy of the Parent Guide to Human Sexuality was presented to the committee by Mrs. Wright for their input. The guide needed updating with the reorganization of grades within the district and with updated TEKS. The committee made several recommendations which will be written into the proposed guide that will be presented to the School Board on February 20 for their approval.

A Physical Activity and Fitness Planning Subcommittee was formed to consider issues relating to student physical activity and fitness and make policy recommendations to increase physical activity and improve fitness among students as per Education Code 28.004(1-1). Those committee members are Ashley Mayberry, Rae Rousseau and Ana Borrego, along with Sharon Wright.

The next meeting will be on May 5. The meeting was adjourned at 12:40.

The Physical Activity and Fitness Planning Subcommittee met immediately following the SHAC meeting to discuss Plainview ISD current policies concerning physical education. Mrs. Wright gave each member of the subcommittee a copy of the current policy EHAB legal that states the number of minutes of physical education required at each grade level. The subcommittee made the recommendation that a plan be put into place for those elementary campuses that do not currently have 30 minutes of PE for each K-5 student so that physical activity is addressed when students have to stay inside during recess. Mrs. Wright will be following up with that recommendation. The meeting was adjourned at 1:00.
