Sharon Wright welcomed everyone and all members were introduced. Libby Howard was appointed as chairperson of the committee. A list of potential parent members for the committee was generated. Sharon reviewed Board policies concerning SHAC and also the TEA Guidelines. Sunell Pyeatt with Compassionate Care Pregnancy Center gave an overview of the abstinence curriculum she has presented in the schools for the past three years. The committee discussed the great need for the curriculum, especially at the middle school level. The committee voted to continue with the same program and to make sure it is offered to every 7<sup>th</sup> and 8<sup>th</sup> grader at some time this school year. She will be visiting with middle school principals about how to fit it into the schedule. Sunell will continue to meet with high school classes that Lesle Carlisle teaches.
