In attendance:

All members introduced themselves. Mrs. Wright reminded the committee of their responsibilities and gave members who were not in attendance in September a copy of the TEA requirements and board policy along with the powerpoint that outlines committee responsibilities.

Sandra Ramirez, ARAMARK representative, gave the program about the Federal School Breakfast and Lunch program, along with Foods of Minimal Nutritional Value.

The Parent Guide to Human Sexuality was reviewed. It will be updated and presented to the Committee for their approval in February.

SuNell Pyeatt reported on the abstinence programs she is giving at each of the middle schools and the high school. She provided a calendar for those dates she will be on all campuses. This year every 7th and 8th grader will be involved in the program.

Sharon Wright reported on a question that was raised at the last meeting. Only students involved in grade 7, 9, and 11 athletics are required to have a physical exam by UIL guidelines. Any student who has sustained an injury must have a physical before returning to play.

The meeting was dismissed at 12:40 p.m. The next meeting is February 10, 2014.
