

School Health Advisory Committee

Minutes

May 2, 2016

Sharon Wright welcomed everyone to the last meeting of the year. She discussed the district suicide prevention program training that will be put in place in the fall. The district is electing to use the Safe Schools program and all employees will be trained by September 30. Patti Hutto talked about the way Safe Schools was chosen.

SuNell Pyeatt reported on her work with the abstinence program and how it will be handled at both of the middle schools next year. She will be presenting 4 sessions in health class at both schools for grade 8.

The annual report to the board was read and approved.

Danny Wrenn asked that there be professional development on the starter sets for tennis that have been made available at all elementary schools. Sharon will contact Jonathan King about providing that training during August.

There were no topics mentioned for discussion next year.

Dates for next year meetings were given.

Meeting adjourned at 12 pm.
