

Plainview ISD PreKindergarten Family Engagement Plan

(Developed April 2018)

Facilitate family-to-family support

- Provide opportunities for families to build relationships and learn from each other
- Provide opportunities for families to network at classroom and campus events such as class parties, holiday celebrations and field trips

Establish a network of community resources

- Utilize campus contacts to identify needs and refer families to appropriate resources
- Share list of community resources on district website

Increase family participation in decision-making

- Survey families at the end of each school year
- Collaborate with families to solve challenges for their student

Equip families with tools to enhance and extend learning

- Provide parenting tips in the areas of literacy and numeracy through teacher and campus communication, both in print and digitally

Develop staff skills in evidence-based practices that support families in meeting their children's learning benchmarks

- Provide professional development through face-to-face presentations

Evaluate family engagement efforts and use evaluations for continuous improvement

- Survey families at the end of the year to evaluate the family engagement plan and use the survey information in planning for the following school year
- Meet with teachers and administrators at the end of the year to evaluate the family engagement plan and use the family survey information in planning for the following school year
